

DIRECTIONS: Dissolve one scoop (6.8 g) into 8-12 oz of room-temperature water and consume once per day between meals, or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

XymoBolX™ features a patented blend of amino acids¹ formulated to promote muscle protein synthesis. Whether your goal is to provide building blocks for muscle strength and function or boost muscle recovery after exercise, XymoBolX provides a researched combination and ratio of amino acids to support your muscle health.*
