

DIRECTIONS: Take 1-2 capsules daily, or use as directed by your healthcare professional. If necessary, capsules may be opened and contents sprinkled over food.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

XymoZyme® contains a broad spectrum of digestive enzymes to support the digestion of fats, proteins, carbohydrates, fibers, and lactose. This vegan-suitable, gastrointestinal health formula provides key digestive enzymes, including lipase, proteases, alpha-galactosidase, hemicellulase, papain, and lactase. It is designed to be effective in a wide pH range, in contrast to the narrow pH range required with porcine pancreatin.*

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, sesame, ingredients derived from genetically modified organisms (GMOs), artificial colors, and artificial sweeteners.

Maltodextrin (derived from corn) is used to standardize enzyme activity.
