* These statements have not been evaluated by the FDA.
This product is not intended to diagnose, treat, cure or prevent any disease.

Triphala can be used in various forms, including as a powder, tablet,
capsule, extract, or even as a part of traditional Ayurvedic
preparations as below -

- Boil 1 tsp Triphala powder in 500 ml water until it halves. Strain, add
honey or lemon for taste. Take once daily, preferably in the evening.
- Combine Triphala powder with honey to form a paste.
- Prepare Triphala decoction, cool, strain, and use as an eye wash for
eye health.

Food Allergens: Does not contain -
Fish, Meat or milk.

Color variation may occur batch to batch due to natural ingredient
& climatic variations, but the nutritional values remain constant.

We source the finest quality from Indian farms & Forests.

Individual responses to Triphala's potential benefits may vary. Prior to
using Triphala or any supplement, it is advisable to consult with a
healthcare provider, particularly if you have underlying health
conditions or are taking medications.

"The oxygen absorber and silica gel in this packaging preserve
product quality by absorbing excess oxygen and moisture.
They are not meant for consumption and should be removed
before consuming the contents."

Store in a cool & Dry place. Keep away from Humidity & direct sun
light. Keep out of reach of children.
