

DOES NOT NEED REFRIGERATION.

The *Saccharomyces cerevisiae* probiotic micro-organisms support an ideal balance of the microflora of the intestinal tract. They are stomach acid resistant so that they can effectively reach the intestine. They are blended with a pre-biotic (Frutafit®-Inulin) for an even stronger intestinal health effect. *

How to take: Swallow a capsule whole, with water, or open the capsule and mix the contents with desired soft foods before swallowing.

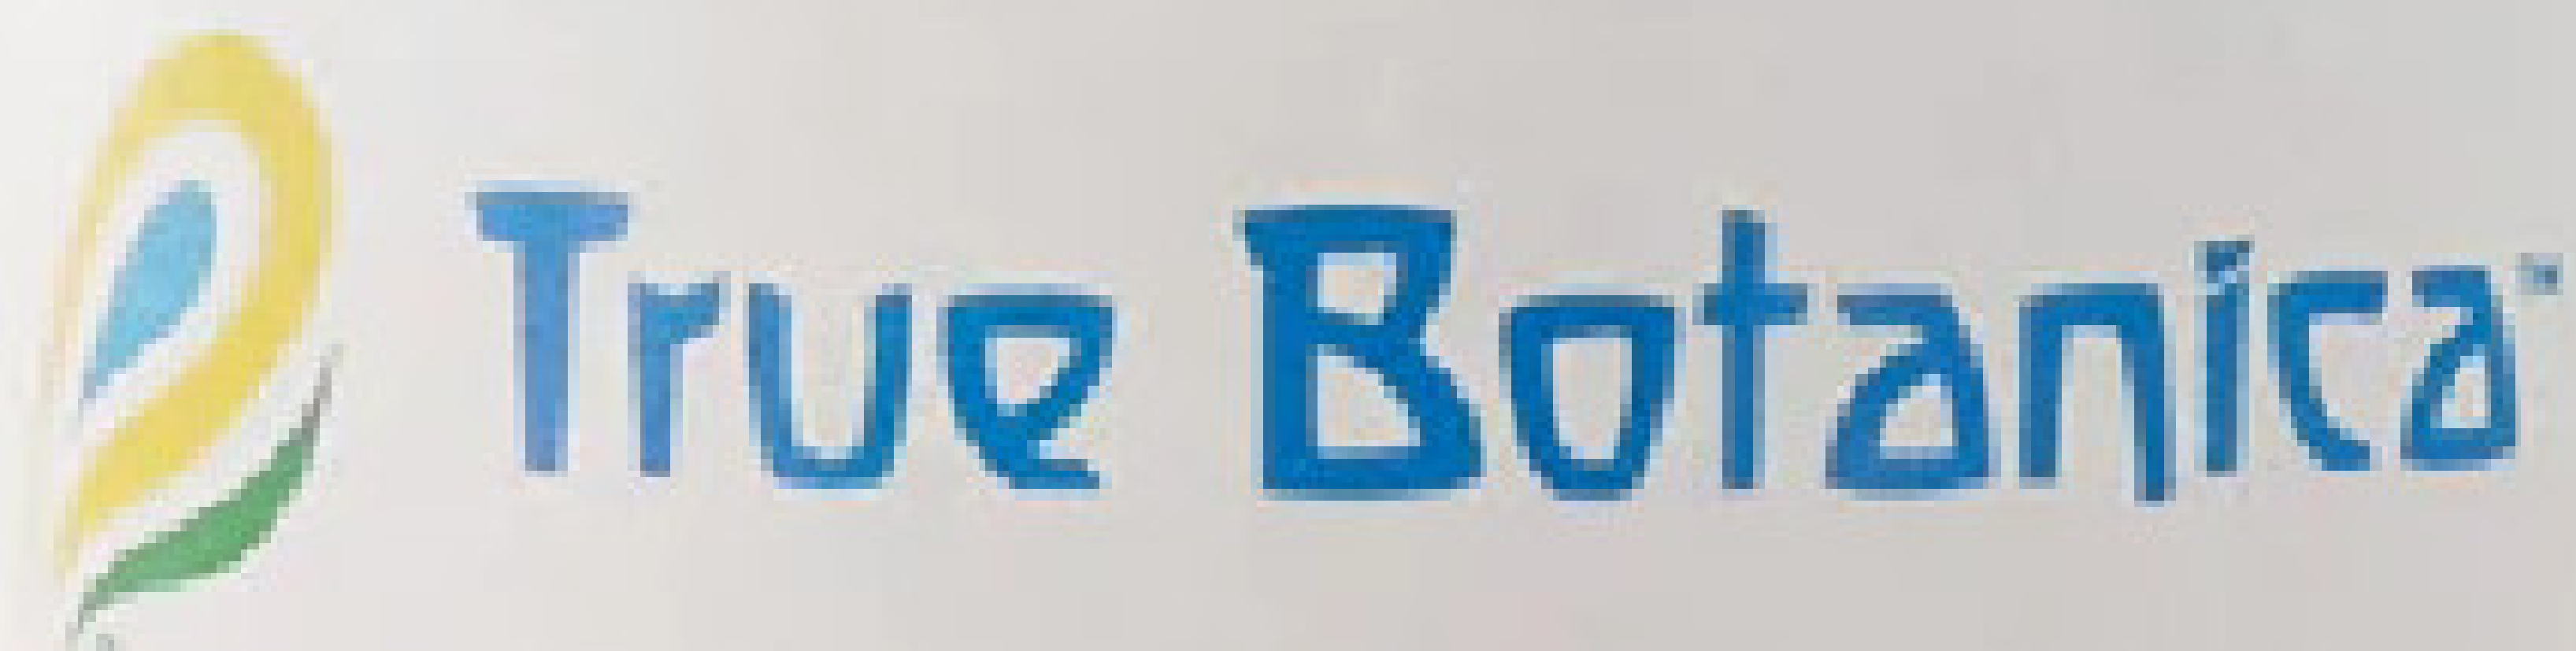

Contains no milk, lactose, eggs, fish, Crustacean shellfish, tree nuts, peanuts, sesame, soy or wheat. Gluten free. 100% Vegetarian capsules.

Consult your health care provider before using this product if you are pregnant, lactating or have other medical concerns or compatibility issues. Do not use this product if allergies to the listed ingredients are known to exist or if any adverse effects result after taking the first dose.

Keep out of the reach of children.
