EnzalasePRO™ contains 12 plant-based digestive enzymes formulated to emulsify fat and help break down all major food groups, providing digestive support.[†] Each batch is laboratory tested to meet strict quality control standards. Store tightly closed in a cool, dry place. Best if refrigerated.

SUGGESTED USE: As a dietary supplement for adults, take one capsule with water at the start of a meal. For systemic use, take one capsule a day on an empty stomach.

WARNING: If you are pregnant, nursing, on medication or have any medical condition consult a health care professional before using this product. Discontinue use and consult a doctor if any adverse reaction occurs. Keep out of reach of children.
