

Professional Formula® **Elite EPA Gems®** provide 1,000 mg of concentrated EPA in a single soft gel. EPA is a beneficial omega-3 that supports cardiovascular function by helping to maintain healthy, normal triglyceride levels; blood vessels; circulation; and arterial wall elasticity.* Elite EPA Gems are sourced from wild-caught, deep, cold water fish.

✓ **Gluten-free** ✓ **No Artificial Preservatives**

PURITY GUARANTEED

This product is regularly tested by independent FDA registered laboratories. It has been determined to be fresh and fully potent (per AOCS international protocols) and is free of detrimental levels of mercury, cadmium, lead, PCBs and 28 other contaminants.

1686-4f

The image shows the front of a Carlson Elite EPA Gems container. The top features the Carlson logo in a red and orange oval. Below it, the text 'Professional Formula®' is followed by 'Elite EPA' in large black letters and 'Gems®' in a script font. A red banner states '1,000 mg EPA'. The background is a blue and white mountain landscape. On the left, there are three circular logos: 'gen NON-GMO TESTED', 'FRESHNESS PURITY GUARANTEED POTENCY', and 'REDUCED IMPACT COLLECTIVE PLASTIC IMPACT'. At the bottom, it says 'DIETARY SUPPLEMENT' and '✓ Helps Maintain Healthy Triglyceride Levels*▲'. The bottom-most text reads '60 Soft Gels | 60 Servings'.
