GABA

750 mg

Calming Neurotransmitter*

120 Veg Capsules

A Dietary Supplement Vegetarian/Vegan

SUGGESTED USAGE: Take 1 capsule 1 to 2 times daily as needed, preferably with juice or water on an empty stomach, or as directed by your healthcare practitioner.

HOW IT WORKS: GABA (Gamma-Aminobutyric Acid) is a non-protein amino acid that is naturally produced in the body.* GABA is the brain's main inhibitory neurotransmitter and healthy levels are associated with a relaxed mood.* GABA also plays a central role in regulating intercellular communication and somal cognition.*

CAUTIONS/INTERACTIONS: Consult your healthcare practitioner before taking this product if you are pregnant or nursing.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
