

SUGGESTED USAGE: Take 1 capsule 2 to 3 times daily, or as directed by your healthcare practitioner.

Store in a cool, dry place to maintain potency.

HOW IT WORKS: Probiotic bacterial species are known to exist and thrive in the human digestive tract. These microorganisms assist in proper digestion, support detoxification, and are a necessary component of healthy immune system function.* Ortho Dophilus™ is a combination of scientifically tested strains of friendly bacteria with FOS included to encourage their healthy growth.*

CAUTIONS/INTERACTIONS: Antibiotic medications may reduce the efficacy of probiotic supplements. In addition, there may be some concern when using probiotic supplements in immunocompromised individuals. Probiotic supplements may cause minor, temporary digestive disturbance in some individuals. In these cases reduce or discontinue use of this product until discomfort ceases, then gradually increase to full dose.
