

Directions: Adults 18 years and older: Take 1 caplet per day.

Suggestions For Use:

Take only as directed. For occasional stress. Talk with your doctor before use if you are pregnant, nursing, taking medicine, including blood thinners, anti-depressants or anti-anxiety medications, or are under a doctor's care for a medical condition.

Caution:

Do not exceed recommended serving.

Do not take more than 1 Proactive Support[†] product per day.

Do not use if you are allergic to any of the ingredients.

Consult your doctor if you are experiencing severe or persistent emotional distress.

Some individuals may experience drowsiness; use caution when driving or operating heavy machinery while taking this product.

KEEP OUT OF REACH OF CHILDREN
