

Suggested Use: Adults, take 1 capsule daily with water, preferably with a meal, as a dietary supplement, or as directed by a doctor.

Maximize Results: Consistent daily use of this product may improve cognition and lower the risk of cognitive decline. We recommend taking MindBoost™ Day once daily for a minimum of 90 days to see optimal results.*

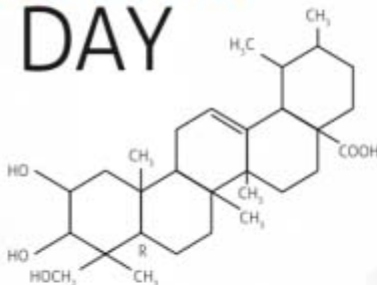

Quality Ingredients: Simple Smart Science™ sources and uses high quality ingredients which have been shown to benefit healthy individuals when taken regularly as a supplement to a balanced diet. All of our products are manufactured in a GMP facility. Each product is formulated to ensure purity and efficacy of each compound.
