Directions: Use only as directed. Take 1 capsule twice daily or as needed. Store in a cool, dry place.

Supplement Facts

Serving Size 1 Capsule

Amount Per Serving	% Daily Value
Choline (as Choline Bitartrate)	300 mg

*Daily Value not established.

Other Ingredients: Gelatin Capsule, Stearic Acid, Silica and Magnesium Stearate.

Discussion: Choline is an integral component of all cellular membranes. It is primarily known for supporting fat metabolism. It may also help support healthy brain, cardiovascular and nervous system function. This two-stage, timed-release formula is designed to release half of the choline rapidly and the other half gradually over a period of up to 8 hours,** which may help extend the availability of the choline to the body over a longer period of time.[‡]

**Based on in-vitro dissolution tests designed to simulate the digestive process. Individual results may vary.
