100 VEGCAPS
DIETARY SUPPLEMENT

Since 1973, we've scoured the globe for the highest quality ingredients, connecting you with the most efficacious supplements that help you live brighter & embrace the moments that matter most.

WARNING: Do not use if safety seal is broken or missing. Keep out of reach of children. Keep your licensed health care practitioner informed when using this product. May decrease effectiveness of Sulfonamide (sulfa drugs).

Directions: Use only as directed. Take 1 VegCap daily with a meal or glass of water. Store in a cool, dry place.

Supplement Facts

Serving Size 1 VegCap

	Amount Per Serving	% Daily Value
PABA (Para-Aminobenzoic Acid)	700 mg	*

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule, Stearic Acid, Silica and Magnesium Stearate.

Discussion: Para-Aminobenzoic Acid, also known as PABA, is an important precursor to folic acid which may help support cellular, circulatory and intestinal health. This two-stage, timed-release formula is designed to release half of the PABA rapidly and the other half gradually over a period of up to 12 hours,** which may help extend the availability of the PABA to the body over a longer period of time.†

**Based on in-vitro dissolution tests designed to simulate the digestive process. Individual results may vary.

†These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
