

PRODUCT BENEFITS: This remarkable product combines two popular supplements to renew cartilage and promote joint health.* For weekend athletes and mature adults alike, Glucosamine Hydrochloride and Chondroitin Sulfate work to cushion and lubricate joints, promote range of motion and revitalize connective tissue.*

Directions: For adults, take three (3) tablets per day with food or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers. Note: you have the option of taking all three tablets together or spread throughout the day.
