

# PURE L-LYSINE FREE FORM AMINO POWDER

• No added fillers • No flow agents • No driers • No other ingredients

**Ingredients:** L-Lysine Free Form Amino Powder.

**Suggested Use:** Children ages 2 to 12 years old should consume about 45-60 mg of L-Lysine per kilogram of body weight. Adults should consume about 12 mg of L-Lysine per kilogram of body weight. As with all our powders, a micro scale is strongly recommended for proper dosage.

**Storage:** Store in a cool & dry place. Keep away from strong light & heat.

**Disclaimer:** These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**WARNING:** A scale is required for accurate measurements. Keep away from children. Do not take this or any other supplement if you are pregnant or nursing. Do not take if you have high blood pressure or any medical complications. Always consult with your physician before taking any new dietary supplements.
