Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

NOW® L-Glutamine Powder is a pure, free-form, non-essential amino acid and is the highest grade available.

This product is sold by weight not volume.

Store in a cool, dry, dark place after opening.

Please Recycle.

SUGGESTED USAGE: As a dietary supplement, take 1 rounded teaspoon (5 g) in juice, preferably between meals, 1 to 2 times daily as needed.

Glutamine has recently been the focus of much scientific interest. A growing body of evidence suggests that during certain stressful times, the body may require more Glutamine than it can produce. Under these circumstances Glutamine may be considered a "conditionally essential" amino acid. Glutamine is involved in maintaining a positive nitrogen balance (an anabolic state) and also aids rapidly growing cells (immune system lymphocytes and intestinal cell enterocytes). In addition, Glutamine is a regulator of acid-base balance and a nitrogen transporter.*
