- Protect against occasional **gas, bloating** and **constipation**.*
- Support your body's **natural immune defense**.*

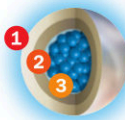

2 Probiotic Strains (1 Billion Potency)

Each Probiotic Pearls Acidophilus softgel provides two types of healthy bacteria:

- **Lactobacillus acidophilus** for the small intestine.
- **Bifidobacterium longum** for the large intestine/colon.

Uniquely Made to Survive: Probiotic Pearls Acidophilus has an advanced **triple-layer softgel** to protect the active probiotics inside from heat, air, moisture and stomach acid for maximum survival and delivery to the intestine.
