

0 90700 00174 2

We prepare our Juniper Extract from the fully matured fruit ("berry") of *Juniperus communis* shrubs which are **Certified Organically Grown** or **Custom Wildcrafted™** in their natural wild habitat. To assure optimal extraction of Juniper's bioactive compounds, the fruits are hand-harvested only in early autumn (after their color changes from green to bluish-purple) and are then carefully shade-dried and thoroughly extracted.

LIQUID HERBAL EXTRACT

JUNIPER

Juniperus communis

Mature Fruit

HERBAL SUPPLEMENT

4 fluid ounces (118.4 ml)

Juniper Liquid Extract

Ingredients: certified organic grain alcohol (76-86%), distilled water & Juniper extractives.
