high in allicin and alliin**

DIRECTIONS: Adults and children over 12 years, take 1 tablet a day, with meals, (up to 3 tablets a day may be taken during demanding times) or as your health professional advises. Do not exceed recommended daily intake. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Not advisable if taking warfarin.

This extra strong GARLIC is specially made to reduce any garlic odour and aftertaste. High odour compounds including allicin and alliin are responsible for garlic's aromatic flavour and are much prized in cooking.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
