

#### PRODUCT INFORMATION

One scoop typically provides:  
Hydrolysed collagen (marine,  
non shark) providing hydroxyproline  
and hydroxylysine in combination  
with other amino acids to a  
90% minimum protein content.

6100mg

**INGREDIENTS:** Hydrolysed collagen (from fish [including tilapia, *Pangasus* and *Ictaluridae*]).

Fish collagen contains naturally occurring salt.

**DOES NOT CONTAIN:** sugar, starch, soya, wheat, gluten, maize, corn, yeast, lactose, dairy products, artificial preservatives, colours or flavourings.

**This product is not tested on animals.**

Jar Lid & Scoop

**Charitable organisations policy:** supplements regularly donated

# HIGHER NATURE®

**SIMPLY ADD  
TO JUICE**

## **COLLAFLEX DRINK**

**pure marine collagen**

**185g granules**  
**FOOD SUPPLEMENT**

## **COLLAFLEX DRINK**

### **185g granules**

**DIRECTIONS:** Adults, add one scoop of granules daily to a glass of fruit or vegetable juice (orange or pineapple work well) and stir thoroughly, leaving until dissolved (one minute) before drinking, or as your health professional advises. Take 30 minutes before or 2 hours after meals. Do not exceed recommended daily intake. Best taken with a Higher Nature Vitamin C supplement.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

**COLLAGEN DRINK** is made from pure, non-shark, soluble, marine collagen (other collagen products may be made from pork or chicken). Collagen is the most widely distributed protein in the human body and is naturally found in skin, joints and bones. Higher Nature's has a low molecular weight for easier absorption. Contains scoop. Contents may settle during transit.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
