

Natural Vitamin E is an essential nutrient and is the body's primary, fat-soluble antioxidant. Vitamin E provides nutritional support for the cardiovascular system, skin, prostate, and the immune system. It helps fight cell-damaging free radicals that cause oxidative stress in the body, which may contribute to the premature aging of cells. This formulation provides natural Vitamin E as pure d-Alpha Tocopherol. It is offered in an oil-based softgel to promote optimal absorption and assimilation.*

Carefully Manufactured for:
Solgar, Inc., 500 Willow Tree Road
Leonia, NJ 07605 U.S.A.
