# DHEA

## 50 MG

### May Help Promote Sugar Metabolism\*

VEGETARIAN FORMULA  
**60 TABLETS** DIETARY SUPPLEMENT

### Smart Facts

DHEA is a substance naturally produced within the body. As we age, circulating levels of DHEA may decline in both men and women.\* A study published in the highly respected Journal of the American Medical Association found that supplementation with 50 mg of DHEA per day in mature adults helped promote sugar metabolism.\* Discover the difference DHEA can make in your life!

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
