

DIRECTIONS: Take three to five capsules daily on an empty stomach, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking blood thinners or other medication as well as those with bleeding disorders or liver damage should discuss potential interactions and contraindications with their healthcare practitioner. Do not use if tamper seal is damaged.

ProteoXyme™ affects cytokine and eicosanoid balance, promotes joint comfort, and supports the body's ability to maintain tissue integrity. Proteolytic enzymes in ProteoXyme may break down proteins and complexes that can be produced as a result of injury and tissue damage. This activity is believed to aid nutrient and oxygen delivery and may help speed the body's ability to recover and heal. Acid-resistant capsules facilitate systemic delivery of enzymes.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Gluten, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or preservatives.
