Betaine Hydrochloride is a dietary supplement which adds hydrochloric acid to the stomach. Do not use if gastric hyperacidity or peptic ulcers are present. These capsules are intended to be taken whole, not pulled apart.

Suggested Usage: As a dietary supplement, adults take 1 capsule just before or during each meal or as directed by your healthcare professional.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
