Rev. C-01

Research shows that healthy DHA levels in mothers during pregnancy and lactation support optimal brain and visual development in babies.* Prenatal DHA provides mood support for mothers before, during, and after pregnancy in small, easy-to-swallow soft gels.*

Also available in unflavored Prenatal DHA.

Wild caught. Pure. No fishy aftertaste. Friend of the Sea certified.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: Two soft gels daily, with food, or as directed by your health care professional or pharmacist.

Store in a cool, dry place, away from sunlight

Do not take if tamper-evident seal is broken or missing

Product protected by U.S. patent #s 6346231 & 6641837
