Rev.B-01

Postnatal Omega-3 is specifically formulated to address the unique needs of new moms, offering EPA and vitamin D3 to support a positive mood and optimal wellness after childbirth.* This formula also includes 456 mg DHA to support maternal cognition and continued neurological development in nursing infants.* Highly concentrated, 90+% triglyceride-form fish oil allows for maximum potency and absorption in easy-to-swallow soft gels.*

Wild caught. Pure. No fishy aftertaste. Friend of the Sea certified.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: Two soft gels daily, with food, or as directed by your health care professional or pharmacist.

Store in a cool, dry place, away from sunlight

Do not take if tamper-evident seal is broken or missing

Product protected by U.S. patent #s 6346231 & 6641837
