Directions: For adults, take two (2) Coral Calcium Plus capsules per day, preferably with a meal.

Modern farming methods and over-processed food often strip our diet of important minerals. Coral Calcium Plus contains Coral Calcium, Magnesium and Vitamin D. Vitamin D promotes bone health and aids in Calcium absorption.* Our Coral Calcium is mined, not collected, from an above ground source - making it environmentally friendly as it prevents the damaging of coral reefs.

This product contains 185 mg of elemental Calcium per capsule counted towards your daily Calcium needs.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
