

Prod. No. 7321

For centuries, women have depended on the reliability of Evening Primrose Oil. EPO is a source of Gamma-Linolenic Acid (GLA - 117 mg per serving), a fatty acid not made in large quantities by the body and not commonly found in food. Popular with women of all ages, EPO is traditionally used to provide nutritional support for women with PMS.*

Royal Brittany™ EPO is one of the best products of its kind on the market. The EPO used for Royal Brittany™ is cold-processed and is void of Hexane and all other solvent residue. Royal Brittany™ EPO assures quality, reliability, and purity.

100% Pure Solvent Free

The consistency of potency is guaranteed by assay.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
