

To Support Good Health,
Choose **Digestive Advantage®** Daily!*

Digestive Advantage® targets your specific digestive health needs and with continued use, gives you long-term digestive support.* That's because **Digestive Advantage** contains **BC³⁰**, a probiotic that survives 100x better than leading probiotics and yogurt so it can deliver good bacteria where you need it.†

Probiotics are beneficial bacteria that live in your digestive tract and promote digestive and immune health.* Many other probiotics don't survive the harsh acidic stomach environment.

The probiotic used in **Digestive Advantage** is protected by a hardened layer of proteins, which allows it to survive the harsh environment of the stomach better than other probiotics and reach the intestines to promote digestive and immune health.* **Digestive Advantage** helps lessen minor abdominal discomfort, bloating and helps reduce occasional diarrhea.*

Digestive Advantage®

Daily Probiotic

**Survives
100x Better†**

Studies reveal that the single strain of probiotic used in **Digestive Advantage®** survives 100x better than leading probiotics and yogurts so it can deliver good bacteria where you need it.†

GUARANTEED: No added sugar (sucrose, fructose, lactose), salt (sodium chloride), yeast or wheat. No preservatives or artificial flavors.
GUARANTEED for purity, freshness and labeled potency.

† Based on median % survivability of **Digestive Advantage®** probiotic vs. leading probiotic supplements and 19 probiotic yogurts in simulated gastric pH for 2 hours. Survivability and delivery of probiotic cells to the small & large intestines is one of the several factors influencing overall product effect.
