Carefully Compare Formulas...

While herbs can look similar, they are not. **Sculpt n' Cleanse®** contains rare herbs in precise ratios that provide a gentle, yet thorough cleansing experience. Learn more about three, of our seven, carefully-selected ingredients:

Psyllium Seeds

These seeds help lubricate your intestines, which helps waste move through them more quickly. Most cleansers use Psyllium Husk instead.

Senna Pod

More effective than commonly-used Senna Leaf, it has been used for centuries to promote healthy regularity.*

Cape Aloe Leaf

These leaves have 20 times more bitter sap than *Aloe vera*. This sap is rich in "anthraquinones," natural phytochemicals, that support digestive health.*
