Suggested Usage: Take 1 capsule near bedtime with water.

Melatonin is a potent free radical scavenger naturally produced in the pineal gland and present in high amounts in the gastrointestinal tract.\* It is involved in many of the body, brain and glandular biological functions including regulation of normal sleep/wake cycles, regulation of the immune system and

maintenance of a healthy gastrointestinal lining.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to

diagnose, treat, cure or prevent any disease.

Caution: For adults only at bedtime. Not for pregnant or nursing women. May cause drowsiness. Do not use in conjunction with alcoholic beverages, when

conjunction with alcoholic beverages, when driving a vehicle, or while operating machinery. Consult physician if taking medication (especially sedatives and anti-depressants) or have a medical condition (including depression, high blood pressure and epilepsy). Keep out of reach of children.
