Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

This product has three times the L-Glutamine (1,500 mg per tablet) as in our regular strength product (500 mg per capsule).

This product contains Pharmaceutical Grade L-Glutamine.

Natural color variation may occur in this product.

Store in a cool, dry, dark place after opening.

Please Recycle.

SUGGESTED USAGE: Take 2 tablets 1 to 2 times daily, preferably between meals.

Glutamine is considered to be a conditionally essential amino acid, which means that under certain circumstances, the body may require more Glutamine than it can produce. In the body, Glutamine functions as a major nitrogen transporter and is critical for the maintenance of healthy nitrogen balance.* Glutamine also acts as the primary fuel for the rapidly growing cells of the immune system and GI tract.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.
