Calcium	354 mg	35%
Broccoli Sprouts Standardized Extract	500 mg	†
Yielding 2,000 mcg Sulforaphane		
†Daily Value not established.		

Other ingredients: dibasic calcium phosphate, stearic acid, hydroxypropyl cellulose, microcrystalline cellulose, silica, and modified cellulose gum.

A number of studies have shown that a diet rich in cruciferous vegetables such as broccoli, Brussels sprouts, cabbage and cauliflower can be beneficial to your health. Researchers have isolated a key component of broccoli called sulforaphane, which may have many protective properties. Sulforaphane, an isothiocyanate, is believed to stimulate enzymes in the body. Freshly germinated broccoli sprouts contain up to 50 times the concentration of isothiocyanates as mature broccoli.*

Source Naturals **BROCCOLI SPROUTS EXTRACT** provides 2,000 mcg of sulforaphane per serving, up to 5 times more than an average serving of fresh broccoli.

Suggested Use: 2 tablets 1 to 2 times daily.

STORE IN A COOL, DRY PLACE.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
