L-Glutamine

1000 mg

Double Strength

Nitrogen Transporter*

120 Capsules

A Dietary Supplement

Non-
GMO

SUGGESTED USAGE: Take 1 capsule 1 to 3 times daily, preferably between meals.

Glutamine is considered to be a conditionally essential amino acid, which means that under certain circumstances, the body may require more Glutamine than it can produce. In the body, Glutamine functions as a major nitrogen transporter and is critical for the maintenance of healthy nitrogen balance.* Glutamine also acts as the primary fuel for the rapidly growing cells of the immune system and GI tract.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Natural color variation may occur in this product. Do not eat freshness packet. Keep in bottle.
