

NON-GMO · MASS SPEC

Documentation ✓ Lab Tested ✓

**Suggested usage:** 1 capsule 1–2 times per day or as directed by a health professional.

**Cautions:** As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Pycnogenol French maritime pine bark extract is extracted from the bark of pine trees (*Pinus pinaster*) grown exclusively in Les Landes de Gascogne forest in southwest France near the famous Bordeaux region. The forest is an unspoiled and natural plantation with no pesticides and no herbicides. May help provide support for healthy joint function and maintenance.\* May support natural inflammation transition from acute to resolution state.\* Helps reduce (climacteric) symptoms associated with peri-menopause including hot flashes, restlessness (difficulty falling asleep), and poor mental concentration and focus.\* Helps support cognitive health in an aging population (>60 years of age).\* Provides antioxidants for the maintenance of good health.\*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
