DIETARY SUPPLEMENT

S.O.D.

SUPEROXIDE DISMUTASE

2,000 UNITS • 180 TABLETS

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving	
Superoxide Dismutase	235 mg†
(2,000 activity units as defined by McCord & Fridovich units)	
†Daily Value not established.	

Other ingredients: sorbitol, stearic acid, modified cellulose gum, silica, and magnesium stearate.

S.O.D., or superoxide dismutase, is the general name given to a class of enzymes which make up an important antioxidant system in the body. They neutralize free radicals (harmful by-products of cellular respiration), particularly the superoxide radical, the most common free radical in the human body.*

Suggested Use: 1 tablet twice daily between meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
