

INTRAPRO™

100% PREMIUM WHEY PROTEIN

- LABEL CLAIMS BACKED BY THIRD PARTY INDEPENDENT LABORATORY TESTING
- INCREASE LEAN BODY MASS GAINS†
- HIGH LEVEL OF NATURALLY OCCURRING BCAA'S

IntraPro™ is a 100% premium Whey Protein matrix made up of Whey Isolates, Whey Hydrolysates, and Whey Concentrates. This formula has been scientifically formulated to offer rapid digestion, superior bioavailability, and to maximize lean muscle growth. IntraPro™ provides each of the essential amino acids, including high doses of branched-chain amino acids (BCAA's) to ensure the most efficient protein synthesis which results in maximum gains.†

Bodybuilding hall of famer Rich Gaspari helped formulate IntraPro™ to contain only the highest biological value Whey Protein available, at an affordable price. The quality of a protein is determined by its essential amino acid composition, assimilation, and bioavailability/absorption of its amino acids. IntraPro™ perfects these ideal properties with zero fillers, no amino spiking, low sugar, and almost zero fat. Available in 1lbs, 2lbs, and 5lbs sizes in two delicious flavors. Rich's personal commitment to superior quality guarantees potency and purity of this product by performing third party laboratory analysis for each production batch, with results made available on the Gaspari Nutrition® website.
