

DIETARY SUPPLEMENT

Suggested Usage: 1 softgel 1–3 times per day or as directed by a health professional. Keep out of reach of children.

Ubiquinol QH® Active CoQ10 is a powerful antioxidant that offers enhanced absorption and bioavailability especially for the aging body when the ability to naturally produce ubiquinol may be diminished.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives or sweeteners; no corn, dairy, gluten, starch or wheat. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure or prevent any disease.
