

Suggested Usage: 1-2 softgels per day or as directed by a health professional. Keep out of reach of children.

BioQ10 SA™† Coenzyme Q10 is derived from 100% all-natural sourced materials and specially formulated in a proprietary process to enhance bioavailability. A specific protein extracted from non-GMO soy is used in this process that acts as an emulsifier and carrier of the CoQ10. Bioavailability studies have shown BioQ10 SA™† in soft gelatin capsules led to higher blood levels of ubiquinol (active CoQ10) than other forms of CoQ10 including ubiquinol.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives or sweeteners; no dairy, gluten, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
