

Doctor's Best Natural Vision Enhancers provides the premier molecular building blocks for healthy vision.* Naturally sourced FloraGLO® is the most clinically researched lutein in the world.* Together FloraGLO® Lutein and OPTISHARP® Zeaxanthin help protect against light damage and photodamage from blue light.* Omega-3 DHA and EPA facilitate the retina's light-sensing activity.* Numerous clinical studies support the importance of each of these nutrients for vision and eye health.*

Helps enhance retinal cell light-sensing capacity*

Helps promote sharper vision in low light conditions*

Helps prevent absorption of damaging blue light*

Potent free radical scavenger*
